

Society of Urologic Prosthetic Surgeons Fellow of Genitourinary Prosthetic Surgery (FGPS)

The Fellow of Genitourinary Prosthetic Surgery (FGPS) is a prestigious distinction offered by the Society of Urologic Prosthetic Surgeons (SUPS).

The FGPS designation from SUPS acknowledges excellence in genitourinary prosthetic surgery and signifies a commitment to ongoing education, contribution to the field, and the highest ethical standards.

Fellows of Genitourinary Prosthetic Surgery are expected to be leaders and role models in the field, dedicated to advancing patient care and surgical outcomes.
